

GENERAL DISCLOSURES

INTRODUCTION

This Statement seeks to provide you with an overview of disclosures and risks associated with the services provided to you by AxeHedge Inc. (Company No. 202101025223) ("AxeHedge", "Company", "we", "us", "our"). Your need to know and understand the risks involved in any transaction you may undertake. This is of particular importance to you because of the scope of our services to you.

By using our services pursuant to your agreement(s) with us ("Services"), accessing the online platform operated by us (which is accessible through our website at www.axehedge.com or through our mobile application) ("Platform"), websites or mobile applications, or otherwise providing information to or communicating with us, you are taken to have agreed to our disclosures and risks associated with the services provided by us.

OUR SERVICES

Certain services offered through our platform are offered only in jurisdictions where it is legal to do so. The availability of these services over the Internet is not a solicitation for or offering of the Services to any person in any jurisdiction where such solicitation or offering is illegal.

LIMITATION OF SERVICES

We reserve the right to limit the availability of services to any person, geographic area, or jurisdiction, at any time and at our sole discretion. We make no representation that the services are appropriate or available for use in locations outside of the Federal Territory of Labuan, Malaysia or that accessing our platform is legally permitted in countries or territories where the services may be illegal. If you access these services from other locations, you do so at your own risk and are responsible for compliance with local laws.

USE OF TRADEMARKS AND LOGOS

Trademarks and logos are the property of their respective owners and do not represent endorsements of any kind.

INVESTMENT RISKS

The Company is licensed to act as a portfolio manager for a portfolio of securities including funds on behalf of the users of the Platform, which include the management of activities in the acquisition or disposal of a portfolio of securities.

The Company is also licensed to conduct securities analysis and make investment recommendations based on client's investment objectives and financial situation, provide advice concerning securities

including the issuance or promulgation of research report and analysis, as well as providing consultancy and advisory services relating to corporate finance and financial planning matters for corporate clients.

The users of the Platform may hold positions in the stocks or industries discussed on the Platform. Nonetheless, apart from the managed fund products or strategies that are readily available on the Platform, you should still perform your own due diligence and research when making investment decisions, and not rely solely on the information available on the platform. If in doubt, you should check with your licensed financial advisor and tax advisor to determine the suitability of any investment. The Company, the users, the authors, the publisher, and all affiliates of the Platform assume no responsibility or liability for your trading and investment results.

You understand and acknowledge that there is a very high degree of risk involved in trading securities. All information provided is provided in good faith. We make no representation or warranty of any kind, express or implied, regarding the accuracy, adequacy, validity, reliability, availability or completeness of any information on the website, mobile application or associated social media pages. Factual statements or publications on the Platform are made as of the date stated and are subject to change without notice. It should not be assumed that the methods, techniques, or indicators presented in these products will be profitable or that they will not result in losses. Past results of any individual trader or trading system published on the Platform are not indicative of future returns by that trader or system, and are not indicative of future returns which will be realized by you.

LIVE TRADING RISKS

By using the platform, you acknowledge and agree that live algorithmic trading has various risks and the Company shall not have any liability for any losses incurred through using the platform, such risks included, without limitation:

- a. Design risks; errors in data, incorrect assumptions, logical program errors. Even if you designed a perfect strategy, past performance is no guarantee of future results;
- b. Loss of internet connectivity; resulting in disconnections from brokerage, trades not placed, not seeing the results of algorithm, orders failing to be placed;
- c. Poor design of algorithm; resulting in runaway strategies, machine gun orders, run-time errors halting program operation, failure to trade when expected, termination of the algorithm;
- d. Unexpected market conditions; resulting in poor fill prices, rapid losses (flash crashes), late exchange openings;
- e. Data issues; broken, dirty, delayed or intermittent data connections causing algorithm errors. This includes data inaccuracies (exchanges sometimes publish bad/fictional trades);
- f. Execution issues; orders submissions, updates and cancellations could be rejected or delayed. Trades could be disallowed by authorities without warning;
- g. Malicious activities; criminal activity could cause your algorithm to fail or your brokerage account to become compromised, leaking personal information, intellectual property or theft of your funds; or
- h. These events can cause the loss of all funds and holdings in your brokerage account. Algorithmic trading losses can occur faster than in manual trading and you should consult an investment professional to discuss these risks. You should continually monitor the operation of a live trading algorithm to ensure it is running properly.

TAX RISKS

You should understand the tax implications of entering into a transaction such as income tax, tax on dividends, or other withholdings tax. You should therefore consult your tax adviser to understand the relevant tax considerations as applicable to you.

FEES AND CHARGES

You should factor certain charges into your investment consideration. Your returns from a transaction may also be affected by transaction costs (i.e. fees and other charges) including but not limited to those charged by us and other parties.

EVERY TIME YOU USE THE PLATFORM YOU AGREE THAT IN ALL CASES THE COMPANY BEARS NO RESPONSIBILITY FOR LOSSES INCURRED, AND OFFERS NO GUARANTEES OR EXPECTATIONS ON YOUR ALGORITHM PERFORMANCE OR STABILITY.
